Introduction

We believe that you should never have to compromise sound quality for portability. Introducing Wee, a wireless ultra-portable speaker. Even with its compact and portable size the speaker delivers a supreme base sound output and yet can easily clip onto your backpack. You can wirelessly stream audio from any Bluetooth® equipped mobile device or even play your favorite MP3/WAV tracks using the on board TF card reader. Wee can be used as a hands free device for answering calls too. All this encompassed in an abrasion resistant high quality aluminium housing. Wee, an ideal audio solution for indoor or outdoor music playback.

Operation Instructions:

Charging Wee

1. Connect Wee to a PC/Laptop/Mac or 5V USB adaptor (not included) with the USB cable included
2. Red LED turns ON during charging, turns OFF after the device is fully charged.
3. Red LED twinkles when the device has low power.

Paring Wee with mobiles (Bluetooth enabled) and Tablets

1. Press and hold the power button on Wee
2. A voice prompt “Bluetooth Enabled” indicates that Wee is now in Bluetooth® pairing mode.
3. Turn on the Bluetooth function on your phone and search for “Wee” in the available device list.
4. Pair the device to your phone using the passkey (0000).

Playing Music via Micro-SD card

1. Turn on Wee and insert your Micro-SD card into the Micro-SD card slot as indicated above.
2. You will hear a voice prompt “SD Card Enabled” and the first track on the Micro-SD card begins playing automatically.

Controlling Music Playback

1. Use the Play/ Pause button to control music playback.
2. Skip to the previous track by short pressing the Toggle Backward button.
3. Skip to the next track by short pressing the Toggle Forward button.

Volume control

Control volume via the paired devices or by long pressing the Volume + / Volume - buttons on the device.

Answering Calls

1. Short press the “Play / Pause” button to answer the phone call.
2. Short press again to end a call.

Refusing Calls

1. During an incoming call press the Power button once to refuse the call.
